

## HUNTINGTON BEACH DOWNTOWN BUSINESS IMPROVEMENT DISTRICT

# ANNUAL REPORT

**OCTOBER 1, 2019 - SEPTEMBER 30, 2020**

Since its beginning in 2004, the Huntington Beach Downtown Business Improvement District has played an integral role in the continued economic growth and vitality of downtown, with a significant focus on beautification, safety, and promotional events.

Our fiscal year is October 01 – September 30. It is a fiscal year with two stories: before the COVID-19 Pandemic and after. When the statewide Stay-At-Home Order was issued on March 19, 2020, our members either closed temporarily or drastically altered their business models. Businesses operating out of office spaces required their employees to work virtually from home. Some restaurants served customers through Take-Out and Delivery services. Retail shops focused on promotions through online sales. Some of our businesses were forced to close and wait for the order to be lifted.

Then, at the end of May, as restrictions were slowly being lifted, civic unrest that spread throughout the nation also came to Huntington Beach, delaying recovery just a little longer. By early July, COVID-19 cases were on the rise, and the Governor re-issued closures of specific businesses.

The HBDBID continues to work closely with downtown merchants and the City to support any temporary changes that will help stimulate our economy and promote services as they are available. We are also working hard behind the scenes to welcome Surf City Nights back to Main Street, following all important health-safety guidelines.

We are excited to be back in business as soon as possible, working within restrictions required for social distancing, and the safety and security of our community. The HBDBID Board of Directors continue to work behind the scenes with a focus on maintaining cleanliness and public safety while building a vision for the future.

# HIGHLIGHTS 2019 - 2020

Typically, Huntington Beach Downtown enjoys a popular night life, with many restaurants open late and providing a wide selection of music and entertainment. With this, comes the added responsibility of ensuring that the late night experience is safe and welcoming for all visitors. An important focus in this conversation involves public education to reduce impaired driving related collisions in Huntington Beach.

Before COVID-19, HBDBID was working closely with **WAYMAKERS OC** and the **Safe HB Collective**, making way on multiple projects. These projects included, Responsible Beverage

Service (RBS) Training for all on-sale establishment staff, a Security Guard training for Huntington Beach Security Guards, a city wide Rideshare Campaign, and wrapping a Huntington Beach Police Department vehicle with "Choose Your Ride" messaging. **WAYMAKERS OC** spearheaded the effort in cooperation with partners including the HBDBID, HB Police, Every 15 Minutes, Mothers Against Drunk Driving (MADD) and the Alcoholic Beverage Control (ABC).

One of the critical elements of this campaign included public messaging on billboards and bus stops through LA and OC. This billboard example on PCH expected to have 183,391 impressions between March 16 – June 28.

**BE SAFE. PLAN AHEAD.**

- Have a designated sober driver
- Download a ride-sharing app or call a taxi
- Call a sober friend or family member
- Ask the bartender or server to help you

Waymakers | OC Health Care Agency

Moving forward, as establishments start to open up, the HBDBID will continue to partner with **WAYMAKERS OC** on efforts for continued RBS Training and promoting Rideshare. The HBPD vehicle with "Choose Your Ride" messaging has recently been finished and we are excited for it to be able to be seen by the public.

The HBDBID looks forward to working with the **Safe HB Collective** and the downtown establishments to continually improve the nightlife experience by creating a safe and enjoyable environment.

## HIGHLIGHTS 2019 - 2020

Noteworthy to the economic health of Huntington Beach, two considerable projects have been underway in downtown.

Currently under construction, is an **expansion of Pierside Pavilion** on Pacific Coast Highway. This exciting four-story building provides an additional 30,000 square feet to accommodate high-end retail, a 2nd floor ocean front upscale restaurant and a rooftop terrace, plus two floors of premier office space.

**401 Main Street** is a brand new two-story building featuring 12,500 square feet of retail and creative office space, expecting to be ready for occupancy in June of 2020.

Huntington Beach Downtown continues to welcome exciting new businesses to our popular destination including a diverse selection of dining choices such as the TZone, Surf City Ale House, Wet Dog Tavern, Teresita's Mexican Restaurant, Charlie's Gyros, Ding Tea, Express Donuts and Jay Birds Nashville Hot Chicken.

We are also happy to welcome Surf City Skates, a wonderful addition to our active lifestyle community.

In late October 2019, we welcomed a new ownership of the retail, restaurant, and office space known as “5<sup>th</sup> & PCH.” Mobilite Management, Inc is continuing to make exterior improvements and is expected to attract new and relevant tenants to the destination. A revamping and redesign of one space on 5<sup>th</sup> & PCH proved to be the perfect place to headquarter the offices of Visit Huntington Beach. Exciting for us, A-Street Partners have been retained to continuing property management and bringing us a score of community events in the future.

## BID SIGNATURE EVENTS SURF CITY NIGHTS

**SURF CITY NIGHTS** is an extraordinary example of how the HBDBID has been able to raise funds to use for business development while bringing more people to the downtown destination.

**BEST OF HB**

This weekly Street Fair and Certified Farmers' Market is popular with both visitors and locals alike, and in 2019 was nominated for a BEST OF HB Chamber of Commerce award, showing how this event is recognized as one of the most-loved events in Huntington Beach. A core center of our community. Surf City Nights also provides booth space for city services, local non-profit groups, and an information booth to guide visitors and promote upcoming downtown events.

**SURF CITY NIGHTS** features over 90 unique vendors, stretching up the first three blocks of Main Street. Visitors enjoy live local entertainment on every corner. Fresh produce, flowers, breads, and sweet treats abound on the street, along with a variety of handcrafted and otherwise distinctive product provides hours of safe, memorable family fun on Main Street.

**After much research and consideration, the HBDBID rolled out a new layout in March, including repositioning vendors to drive more foot traffic to the side streets of Walnut and Olive, and allow for an even greater number of vendor spaces.** Responding to community health and safety concerns related to COVID-19, Surf City Nights closed on March 3<sup>rd</sup>. Both our merchants and community are looking forward to Surf City Nights returning to downtown in July.

## HALLOWEENFEST

For over two decades, Huntington Beach Downtown has been providing a **safe, fun, and memorable FREE family experience** on Halloween. In coordination with the management team at 5<sup>th</sup> & PCH, the HBDBID provides free attractions for hundreds of young trick-or-treaters including inflatables, bounce houses, games, and a reptile petting zoo.

It is important that HalloweenFest reinforces our brand as a **safe and welcoming place to be**. The number of families attending grows dramatically year after year. Families love visiting with our Police, Fire, Marine Safety and the crafts provided by our Park & Recreation staff. The annual Kids & Canine Costume Contest delights visitors of all ages.

Businesses engage with the community by handing out candy and coupons, if they like, to entice customers back to their stores. The HBDBID supplemented the candy supply by providing the businesses with over **73,400 pieces of candy!** **Without question, Huntington Beach downtown is the largest and safest community for trick-or-treaters.**

## MIRACLE ON MAIN STREET - TREE LIGHTING CEREMONY

This Annual Tree Lighting Ceremony has grown into a wonderful tradition for our local families. The holiday décor expenditure is a significant percent of the HBDBID budget, representing the commitment of the downtown businesses to our community. We are

place where families and friends gather to make memories and experience a sense of pride in their city. Holiday entertainment was provided by local dancers and musicians, mostly youth groups. Plus, the HBDBID invited the City's Park & Recreation Department and the HB Youth Shelter to participate. The HBDBID arranged for Santa Claus to visit the downtown district for **five consecutive weeks**, giving hundreds of families and friends the chance to visit and take **photos with Santa for no charge**, bringing more locals to downtown during the off-season.

Civic-focused events such as HALLOWEENFEST & MIRACLE ON MAIN ST. TREE LIGHTING represent two of the biggest events presented by HBDBID. These are one-hundred percent about “giving back to the community” in a way that we hope encourages substantial repeat visits to downtown from these visitors.

## SURF CITY DAYS & THE HE'E NALU ALOHA PIER FESTIVAL SEPTEMBER 2019

### Surf City Days 2019 was HUGE!

Surf City Days is a special weekend designed for locals, representing the active life-style of Huntington Beach.

Events include a locals-only surfing contest, CBVA Volleyball Tournament, HSS/Surflife Demo Days, HB Cult Old Skool Skate, and the popular Kowabunga Van Klan Vintage VW Bus Show. The 2019 weekend was extra special as we included two days of authentic South Pacific music and dancing, plus a Pier Plaza Vendor Fair.

## CHILI AT THE BEACH JUNE 2020 CANCELLED

Due to the Governor's Stay at Home order, the HBDBID canceled the annual Chili at the Beach event, scheduled for June 13, 2020. This event typically attracts over 1500 visitors and raises important funds for both the HBDBID and its partner, the Boys & Girls Clubs of Huntington Valley. We look forward to bringing this popular event back in June 2021.

# ADDITIONAL HIGH PROFILE DOWNTOWN EVENTS

October 2019 was a tremendous month for the businesses in downtown, hosting special events such as the Surf City Sundown, the VISSLA ISA World Junior Surf Championship and the Great Pacific Air Show. The HBDBID closed a portion of Main Street during the Air Show to accommodate locals with FREE bike valet.

The HBDBID closed a portion of Main Street during the Air Show to accommodate locals with FREE bike valet.

In February 2020, the 24<sup>th</sup> Annual Surf City Marathon attracted over 16,000 participants and their fans to Huntington Beach Downtown.

**TOURISM** is a key component to business opportunities in Huntington Beach Downtown. While the HBDBID focuses on creating a sense of community pride and possesses a deep appreciation and affection for our local shoppers and diners, we are equally in love with our visitors from out of town.

Prior to the COVID-19 pandemic, the Huntington Beach destination enjoyed high hotel occupancies and visitor traffic. However, the Stay-at-Home orders across the world have significantly impacted our visitor expectation for the remainder of the fiscal year. As restrictions lift, we know there is pent-up demand for travel, especially within the STAYCATION / NEARCATION market.

**Huntington Beach is positioned to be a top choice destination for the drive-in market who will be looking for coastal dining, shopping, and beach activities.**

## MAINTENANCE & BEAUTIFICATION

The HBDBID and City of Huntington Beach work together through a MOU currently authorizing more than \$160,000 annually for downtown cleaning and maintenance.

The HBDBID manages the contract with Malco Services, enabling us to respond quickly to issues effectively and efficiently. This maintenance partnership with the City is credited for providing a cleaner, more beautiful downtown district.

POST COVID MARKETING: As restrictions ease, Huntington Beach is the perfect choice to enjoy the best of Southern California. The HBDBID will work closely with Visit HB, hotels, and downtown businesses to attract and welcome Staycation locals and visitors.

**This attention to our cleanliness is critical to a positive experience for our visitors, and sense of pride for our residents.**

**Day Porters maintain cleanliness** in most downtown areas, except for private buildings that provide their own cleaning service. Porters are responsible for litter, trash removal, spot mopping of sidewalks, minor graffiti removal, dusting storefront sills and gum removal.

**Steam / Power Washing is a critical element in our maintenance program** which includes steam cleaning of sidewalks throughout the downtown district, **including alleys** and gutters, with service increased during the busy summer months.

# SAFETY

Proudly, Huntington Beach continues to receive praise such as “Best Beach” (OC Register 2019) and “The Best Stops for a Road Trip on Pacific Coast Highway” (AFAR 2019) and among top 10 of the “Happiest US Cities” (WalletHub 2019). With this, **a sense of safety and security remains a most critical focus for the downtown destination.** By

working closely with law enforcement in their efforts to monitor and manage homelessness activity in downtown, we ensure the safety of our customers and give our businesses the opportunity to succeed.

Throughout 2019-2020, the HBDBID **invested over \$100K annually** to maintain both a daytime security program and late night Ambassador program. The daytime team acts as “eyes and ears” on the street, to respond quickly and efficiently as a need arises, and providing an overall feeling of safety to all. The evening Ambassador program is designed to assist our businesses with ensuring the safety of our late-night patrons, and mitigate any possible alcohol-related security issues.

The HBDBID continues to advocate for appropriate police coverage and meets regularly to discuss ways the HBDBID can assist in improving safety.

## 2020 - 2021 BID ASSESSMENTS

There are currently a total of **272 businesses operating in the HB Downtown Business Improvement District**. 170 are located in Zone 1, and 102 are located in Zone 2. **Of the 272 businesses, Retail and Restaurant businesses represent 60% of the HBDBID membership and contribute over 82% of the dues.**

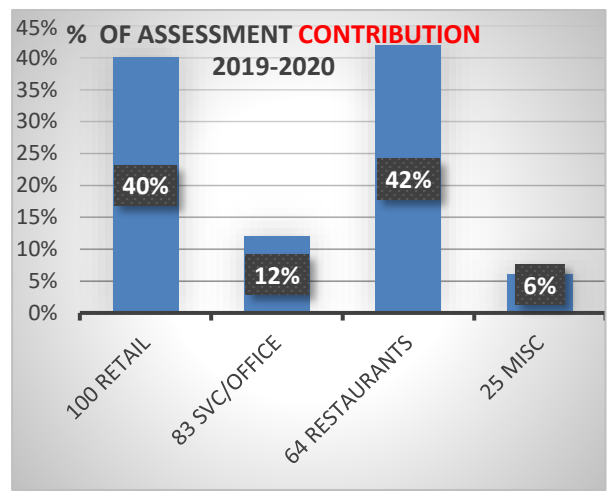

These visitor-serving businesses are important to our total membership, representing the heartbeat of the Downtown experience. Importantly, the destination is also a desirable choice for office locations and services, providing a well-balanced mix of businesses serving both tourists and locals.
